Heart of Hope is a maternity home and school for at-risk pregnant teenagers, ages 11 to 23 years old. Our mission is to provide a safe refuge where young women can focus on their emotional, physical, educational and spiritual needs. We offer life-skill classes, individual counseling, private healthcare and continuing education in our onsite classroom through the Louisiana Department of Education program, ED2020. We provide an educational facility and staff two certified teachers to help all residents achieve their individual educational goals. We are beating the national odds that tell us 67% of teen moms drop out of school and do not earn their high school diploma. Our educational program is one of the deciding factors for families when considering Heart of Hope as a home away from home for their daughters.

As a faith-based organization, we do not receive funding from the state or federal government. **We raise a little more than half of our budget through our four annual fundraising events** and the rest through business, individual and church donations. We also look for grant opportunities.

Please consider helping us impact generations by partnering with us in one of the best golf charity events our community has to offer! In addition to a great round of golf at a premium membership-only golf club, we have an extravaganza of food, gifts and great prizes!

Please call Jodi Burns or Leanna Criswell at (318) 925-4663. You may register for this event online at www.heartofhopeministry.com/Events.
